Do you want to make your pet look cool and attractive? Try our [Abstract Paint Pet ID Tag](#) for an aesthetic and appealing look. Our aluminum tag is an excellent way to keep track of your furry friend. This is also a perfect gift that comes with a key ring. Conveniently attach it to your pet's collar and show some attention and love to them.

Features of Abstract Paint Pet ID Tag

Here are some considerable features of abstract pet ID tags.

Premium Quality Material

This attractive tag is made of aluminum alloy. This is highly durable and does not rust easily with simple wash and splashes due to corrosion protection. It is scratch-proof as well as a non-fading tag with a smooth surface. Choose the best suitable design for the pet and let it apply for a long time.

Size

It comes in adequate size, making it lightweight and perfect for your cat and dog. It offers comfort and beauty simultaneously to your pet. These tags are a good choice for dog lovers. Every pet ID tag measures around 5 x 3.8 centimeters with a ring of diameter 2.5 cm.

Safe and Secure

This attractive and appealing tag is perfectly designed to attach to your cat's or your dog's collar. This tag has plenty of room to add any text to it. Therefore, you can mention every necessary information to it.

If your pet's birthday is arriving or any pet lover celebrates his pet's birthday, consider it a gift. This appealing and beautiful tag will bring a smile to his face.
