

Mobile App Development

Founded in 1988, Zabeel International Institute of Management and Technology, one of the best KHDA-approved training institutes in Dubai, has transformed the student experience in UAE by setting new benchmarks for Training Standards. Serving more than 16 diverse industries, [Mobile App Development International](#) is a leader in Professional Training and Management consulting. Our commitment to creating intelligent solutions and delivering extraordinary training courses empowers companies to perform above their potential.

Our Well-organized Student support services are customized to meet the aspirations and unique needs of the students. This supports students to understand better understanding their needs and career options and thus prepare for Job search. Students will receive one-on-one consultation on tailored solutions to align with their career aspirations. Our Free counseling services are designed to help students develop a personalized career strategy and action plan.

At the Corporate Training Department, we help you align your corporate finance training needs with your business goals and objectives, as well as the company's values and culture. We tailor our training program to match your organization's needs, either by adapting an existing program or developing a new one. We can assist you with one or more steps in the development process: consulting, training audit/needs assessment, design, and development, implementation and evaluation.
