

# Lions Mane Supplement – Powerful Lion’s Mane Capsules and Drinks

WHAT'S JUBI MADE OF

## You've entered the Kratom & Kava zone

**Kava's Ancient Origin**  
Kava--Kava or Kava hails from the lush landscapes of the Pacific Islands and is derived from the Piper methysticum plant, a member of the pepper family. Kava has a long history and has been used for centuries in ceremonies to promote relaxation.

**The Root of Relaxation**  
The roots of the kava plant contain unique lactones that has a relaxing effect and may also improve sleep quality.

**Kava Today**  
Kava has been gaining popularity throughout the world. At Jubi, Our formulations are designed for a new generation seeking relaxation with a delicious twist. Our secret is using the highest-quality Kava root and carefully balancing with delicious flavors to mask the bitter kava taste.

**Kratom's Ancient Origin**  
Kratom is native to Southeast Asia and is obtained from the leaves of the Mitragyna speciosa tree (Kratom tree), a member of the coffee family. Kratom has been used for its stimulating and mood-enhancer properties for centuries.

**Plant-Based Energy**  
Kratom is a natural botanical that may help support physical endurance and stamina and enhance optimism, focus and concentration.

**Kratom Today**  
The Jubi difference is in its cold-water-extracted Kratom leaves, which results in our drinks provide a deliciously balanced flavor blend with no bitter aftertaste and invigorating, energizing effects.
