Why GVT Tile Is Changing the Game

[GVT tile](#), or Glazed Vitrified Tile, represents a perfect blend of strength, durability, and style. At Lonix Ceramica, each GVT tile is meticulously crafted to bring out rich textures, vivid patterns, and stunning finishes. The glazing process adds a sophisticated layer that makes these tiles ideal for both residential and commercial applications.

Whether you're designing a minimalist living room, a chic kitchen backsplash, or a statement wall, GVT tiles from Lonix Ceramica provide unparalleled flexibility and visual impact.
