Our Core Values C.A.P.Ty

We find that it is imperative that all consumers are aware of the culture of this organization: what is grounded in our foundation and motivates us to do what we do each day. You can guarantee that you will experience the presence of these core values the moment you encounter one of our providers.

Care: we are an organization that puts our love for caring for others first in everything we do.

Advocacy: we are aware of the discriminations individuals with mental and physical health conditions face and we stand firm in being advocates for our consumers through collaboration and consultation with other stakeholders.

Passion: we are all extremely passionate about healing, and facilitating its process.

Triple -ty: Quality anchored in Integrity fosters Prosperity for all.
