

## Growth91

We specialize in connecting investors with promising startups, fostering the potential Googles and Amazons of tomorrow. Each startup undergoes rigorous vetting and due diligence before being listed on our platform. As a final testament of trust, we invest in every startup we showcase, aligning our confidence with every investor on our platform.

# ABOUT US

Once you make an Investment, funds will be held in an Escrow account with our Banking Partners managed by SEBI registered trustees. Once the startup completes the compliance requirements, fund is transferred from Escrow bank account to Startup bank account.

# OUR SERVICE
