WHAT WE OFFER

## Our Services

Our team of doctors, nurse practitioners, and therapists offer comprehensive care through telehealth services, with in-person services available for clients in nursing homes, addiction treatment facilities, residential housing programs, group homes, and assisted living settings.

### Psychiatric Evaluation & Medication Management

We develop tailored treatment plans to support adult clients and their families in managing a range of mental health needs.

[READ MORE](#)

### Psychoeducation & Counseling

Offering psychoeducation and counseling empowers clients to understand and actively manage their mental health.

[READ MORE](#)

### Addiction Recovery Treatment

Through a combination of counseling, behavioral therapies, and holistic wellness strategies, we empower individuals to overcome addiction and regain control of their lives.
